Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Strategic Book Publishing & Rights Agency, LLC, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. In the exciting sci-fi novel Sara's New Realm, Sara and Matt's honeymoon is interrupted by her life-long guide, Rowena, who gives her an urgent assignment: She must locate an alien named Dardo. A rumor is spreading fast that Dardo is asking all aliens to leave Earth before it is destroyed! She must find out if the rumor is true. Jenny and Beau, their best friends, join the couple in their quest. Trouble starts when the American government issues warrants to stop them from interfering with the alien nation. Sara learns of her true origins and destiny, angering the alien king's nephew enough to make him kidnap Matt and her friends. New alien friends help her locate them and find the real reason behind the rumor about Earth's demise. She discovers that a large asteroid is heading straight for Earth! Sara wants to help destroy the asteroid, but no one - not the American government, the aliens, or the fairy world - can solve the problem. When all looks hopeless, Sara's guide Rowena sends Sara to the mythological god, Vishnu, whose mighty weapon may be the only way to save Earth. Reba Rymers was born and raised in Del Rio, Texas. She now resides in Schertz, Texas, near San Antonio, where spring festivities include the Battle of Flowers Parade, the River Parade, and other events that bring people from all over the world. Retired from civil service, she has turned her attention to writing. This is her second book. Her first was Sara's Unexpected Detour. Publisher's website:: [http: /RebaRymers](http://RebaRymers).
